

FlexIT

Flexible Insulin Therapy

Diabetes Management for People with
Type 1 Diabetes

During the two day program you will learn how to best match insulin doses to your food and lifestyle.

Each small group program is presented by an experienced Diabetes Educator and Dietitian.

Practical advice and personalised feedback is provided.

Topics include:

- › Insulin adjustment for food and drinks
- › Carbohydrate counting, including practical activities
- › Diabetes health targets and checks
- › Hypoglycaemia, hyperglycaemia and sick day management
- › Physical activity and exercise
